

# SPEAKER SUPPLY

**Selecting speakers who will propel your event is a critical task.** Let KPN help you secure the right speakers to ensure your next event is a success!

From keynotes and breakouts to panel facilitators and training seminars, KPN connects you with the country's top banking experts, accomplished executives and thought leaders who can speak on the key issues impacting your bankers, association members, and event participants. All speakers are provided free of charge - *no honorarium or travel expenses required (unless otherwise designated)*, and many of our speakers are your endorsed partners or associate members.

## HOW IT WORKS

- Send us your request - including event, date, and topics of interest.
- We identify qualified speakers from our database and send you our recommendations.
- You select a speaker and we connect you to work out the details.
